## **ADOPTION OF THE AGENDA**

The President proposed the adoption of the agenda as distributed.

Councillor Sanders moved, seconded by Councillor Gibson, to waive the 30-day notice period on fiscals introduced this evening, in order to act on them at the next Council meeting on December 17, 2007. Councillor Borst asked what these proposals are. Councillor Sanders stated that these are Proposal Nos. 525, 532, 538 and 539, 2007 and the digests are found under introductions. Councillor Borst asked how many votes are needed to suspend the rules. General Counsel Aaron Haith stated that a simple majority of 15 votes is needed.

Councillor Nytes stated that these fiscals will still go through the normal committee process with public hearing and they are not suspending the rules to hear the proposals this evening as the Committee of the Whole. Councillor Mansfield said that this is not a new thing, and this body has suspended the rules for public notice many times. Councillor Sanders agreed and said that the proposals will still go to Committee and will not come before the Council for final vote until the December 17, 2007 meeting.

Councillor Borst said that one of these proposals is approving a \$7 million expenditure, and he believes public notice is important on such a substantial amount. Councillor Sanders said that the proposal will still receive public notice, but simply will not have 30 days between introduction and time of passage.

The motion to suspend the rules on the 30-day public notification on Proposal Nos. 525, 532, 538 and 539, 2007 carried on the following roll call vote; viz:

*15 YEAS: Bateman, Boyd, Brown, Carson, Conley, Franklin, Gibson, Gray, Mahern, Mansfield, Moriarty Adams, Nytes, Oliver, Pryor, Sanders*

*14 NAYS: Borst, Cain, Cockrum, Day, Keller, Langsford, Lutz, McWhirter, Pfisterer, Plowman, Randolph, Schneider, Speedy, Vaughn*

Councillor Sanders moved, seconded by Councillor Gibson, to hear Proposal No. 558, 2007 under presentations this evening. She said that due to an e-mail snafu, it did not get added to the agenda. The motion carried by a voice vote.

Without further objection, the agenda was adopted.

WHEREAS, inscribed on the memorial is a quote from George Washington: “When we assume the soldier, we do not lay aside the citizen.” The memorial is the first major tribute in the nation dedicated to a state’s National Guard; and

WHEREAS, the Honorable Paul H. Buchanan, Jr., who is a World War II Navy Veteran, was the prime mover of the project and stated that the memorial “should remember the past, be relevant to the present, and carry its impact into the future”; now, therefore:

Sandy Jeffers, Pathway to Recovery, thanked the Council for the recognition and introduced Jason, a graduate of the Pathway program, who shared his experience and the ways Pathway helped him to become a productive citizen. Councillor

Bateman moved, seconded by Councillor Gibson, for adoption. Proposal No. 544, 2007 was adopted by a unanimous voice vote.

Proposal No. 544, 2007 was retitled SPECIAL RESOLUTION NO. 57, 2007, and reads as follows:

CITY-COUNTY SPECIAL RESOLUTION NO. 57, 2007

A SPECIAL RESOLUTION recognizing Pathway To Recovery, Inc.

WHEREAS, Pathway was established in 1989 after a Homeless Network Task Force identified homeless persons diagnosed with substance abuse and mental illness as the most underserved and at-risk population in Indianapolis; and

WHEREAS, Pathway's mission is to provide housing and services necessary for homeless participants with addictive and mental disorders to achieve mental, emotional and financial self-sufficiency and begin independent living upon placement in safe affordable substance-free permanent housing; and

WHEREAS, Pathway began with a single program serving 21 homeless adults, and today, Pathway provides a total continuum of care, beginning with supportive housing and ending with permanent housing, serving over 70 participants, including 11 families; and

WHEREAS, Pathway is a viable community resource, in which there is a 50% to 60% entry-level success rate and an 80% to 90% permanent housing program success rate, defined by sobriety, stability, and self-sufficiency; and

WHEREAS, Pathway's facilities were created by restoring uninhabitable properties to historic preservation standards contributing to neighborhood revitalization; and

WHEREAS, since Pathway began, over 1,000 homeless Hoosiers have been given the tools to achieve self-sufficiency, now, therefore:

BE IT RESOLVED BY THE CITY-COUNTY COUNCIL OF THE  
CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA:

SECTION 1. The Indianapolis City-County Council proudly recognizes Pathway Recovery Inc. for their efforts to help one of the city's most vulnerable populations, the homeless mentally ill person struggling with an addiction.

SECTION 2. The Council congratulates Pathway for partnering with the City to implement the "Blueprint to End Homelessness" and for providing services to allow those suffering to regain stability in their lives, reconnect with their families and the community, and begin employment and independent living upon placement in safe affordable substance-free permanent housing.

SECTION 3. The Mayor is invited to join in this resolution by affixing his signature hereto.

SECTION 4. This resolution shall be in full force and effect upon adoption and compliance with IC 36-3-4-14.

PROPOSAL NO. 528, 2007. The proposal, sponsored by Councillors Sanders, Mahern, Gray and Plowman, amends General Resolution No. 207, 2007 to protect the city's investment as approved thereby by requiring labor peace.

Councillor Borst said that this proposal is a General Resolution and therefore does not fall under Special and Council Resolutions to be voted on as the Committee of the Whole without going through the normal Committee process. Mr. Haith concurred that this is correct, and Proposal No. 528, 2007 should be referred to committee. President Gray referred Proposal No. 528, 2007 to the Rules and Public Policy Committee.

PROPOSAL NO. 558, 2007. The proposal, sponsored by Councillor Sanders, urges a moratorium on home foreclosures and for Congressional enactment of a Homeowners and Bank Protection Act. Councillor Sanders read the proposal.

Councillor Cockrum said that this is a proposed Council Resolution, and therefore the Mayor's signature line needs to be eliminated from the proposal. Councillor Sanders moved, seconded by Councillor Gibson, to remove the Mayor's signature references. The motion carried by a unanimous voice vote.

Councillor Schneider said that this proposal has no business in front of this body. He said that the subject matter is not germane to this body, and this is a federal issue and it is rubbish for the Council to be dealing with this matter.

Councillor Gibson said that many citizens of Marion County are facing foreclosures and other cities have adopted such resolutions to indicate the governing body's position. He said it is the least they can do to stand up for homeowners.

Councillor Nytes said that the National League of Cities debated this issue a few weeks ago, and although they cannot control the banking industry, they should go on record to support such an initiative.

Councillor Borst asked if there is legislation before Congress regarding this issue at this time. Councillor Sanders said that she believes there are a couple of items, including the Bank Protection Act. Councillor Borst said that he does not have a copy of the proposed legislation or this Protection Act and therefore is not sure what he is voting to support. He moved, seconded by Councillor McWhirter, to refer the proposal to Committee for further review.

Councillor Oliver said that referring the proposal to Committee will lengthen the time for a household to recover and remain homeowners. He said that this is badly needed in his district and he supports it.

Councillor Brown said that he also supports the proposal and would like to be included as a co-sponsor. He said that there are a lot of foreclosures in his district, even in new editions. He said that it is a real problem that is hurting this community.

Councillor Gibson said that this proposal simply supports helping Americans keep a treasured asset.

Councillor Pfisterer said that she also is unsure of this proposal, as there may be unintended consequences by passing such legislation without considering all the factors. She supports referring the proposal to a Committee.

Councillor Schneider said that raising taxes made people lose homes, and not necessarily bank interests and mortgage rates.

Councillor Sanders said that this problem is being experienced all over the country and is not just a property tax issue. She said that while that contributes to the problem, there are also medical bills, a recession, lower wage increases and many other factors. She said that passage is needed on this motion this evening. She moved, seconded by Councillor Gibson, for adoption.

Councillor Borst said that his motion to refer the proposal to a committee takes precedence. Councillor Sanders asked that Councillor Borst withdraw his motion. While this body has no authority over the federal government, the Council passed a resolution supporting the war, when they had no authority in that matter, either.

Councillor Borst said that he agrees with the concept of this proposal but has more questions and does not know what the Bank Protection Act is and what exactly a vote in favor of this proposal would be supporting. He said that this proposal was put in front of him an hour ago, and does not know if it is the answer or not to the problem.

Councillor McWhirter agreed and said that she also supports the intent of the proposal, but she cannot support an Act of Congress that she has not seen and knows nothing about. President Gray stated that eight votes are needed to refer a proposal to Committee. Proposal No. 558, 2007 was referred to the Rules and Public Policy Committee on the following roll call vote; viz:

*14 YEAS: Borst, Cain, Cockrum, Day, Keller, Langsford, Lutz, McWhirter, Pfisterer, Plowman, Randolph, Schneider, Speedy, Vaughn*

*15 NAYS: Bateman, Boyd, Brown, Carson, Conley, Franklin, Gibson, Gray, Mahern, Mansfield, Moriarty Adams, Nytes, Oliver, Pryor, Sanders*

Councillor Boyd asked if he can add these items to the Rules and Public Policy Committee hearing tomorrow evening, as it is the last Committee meeting of the year. Mr. Haith said that these items can be added.
